FOREWORD

Throughout the course of history since time began, man has been constantly seeking better and easier ways to solve the various problems and to perform the many tasks with which he is always confronted, BUT, underlying this desire to make laboring easier is the more instilled desire to develop a better, more satisfying way of life.

As we, upon graduation, step into the world in which we are to take our places, we are walking into a world which has changed more in the last fifty years than it did in the previous two thousand, and one that is still changing, perhaps at a more rapid rate than ever.

The 1958 ELECTRA will be a reminder always of the many memories we wish to cherish, memories of our high school and of the hundreds of pleasant thoughts that we will associate with it, but let us allow the ELECTRA to serve a dual purpose, as a door to the past, and as an archway to the future, to the modern, ever changing world which we, armed with the education and experience gained in high school, can be ready to challenge and to face.

As we view this book, whether it be 1958, 1968, or 2058, let us use it as both a door backward, to the memorable happy days of our youth; and also as a door forward, to the great adventure which life presents to us.

With these thoughts in mind we present the ELECTRA, 1958.

MR. NORBERT C. WAGNER

DEDICATION

It is customary each year for the ELECTRA staff to dedicate their production to one of the many deserving faculty members. This year is definitely no exception, for we of the staff are most proud and most happy to dedicate the 1958 ELECTRA to Mr. Norbert C. Wagner, or as he is familiarly known, Coach Wagner.

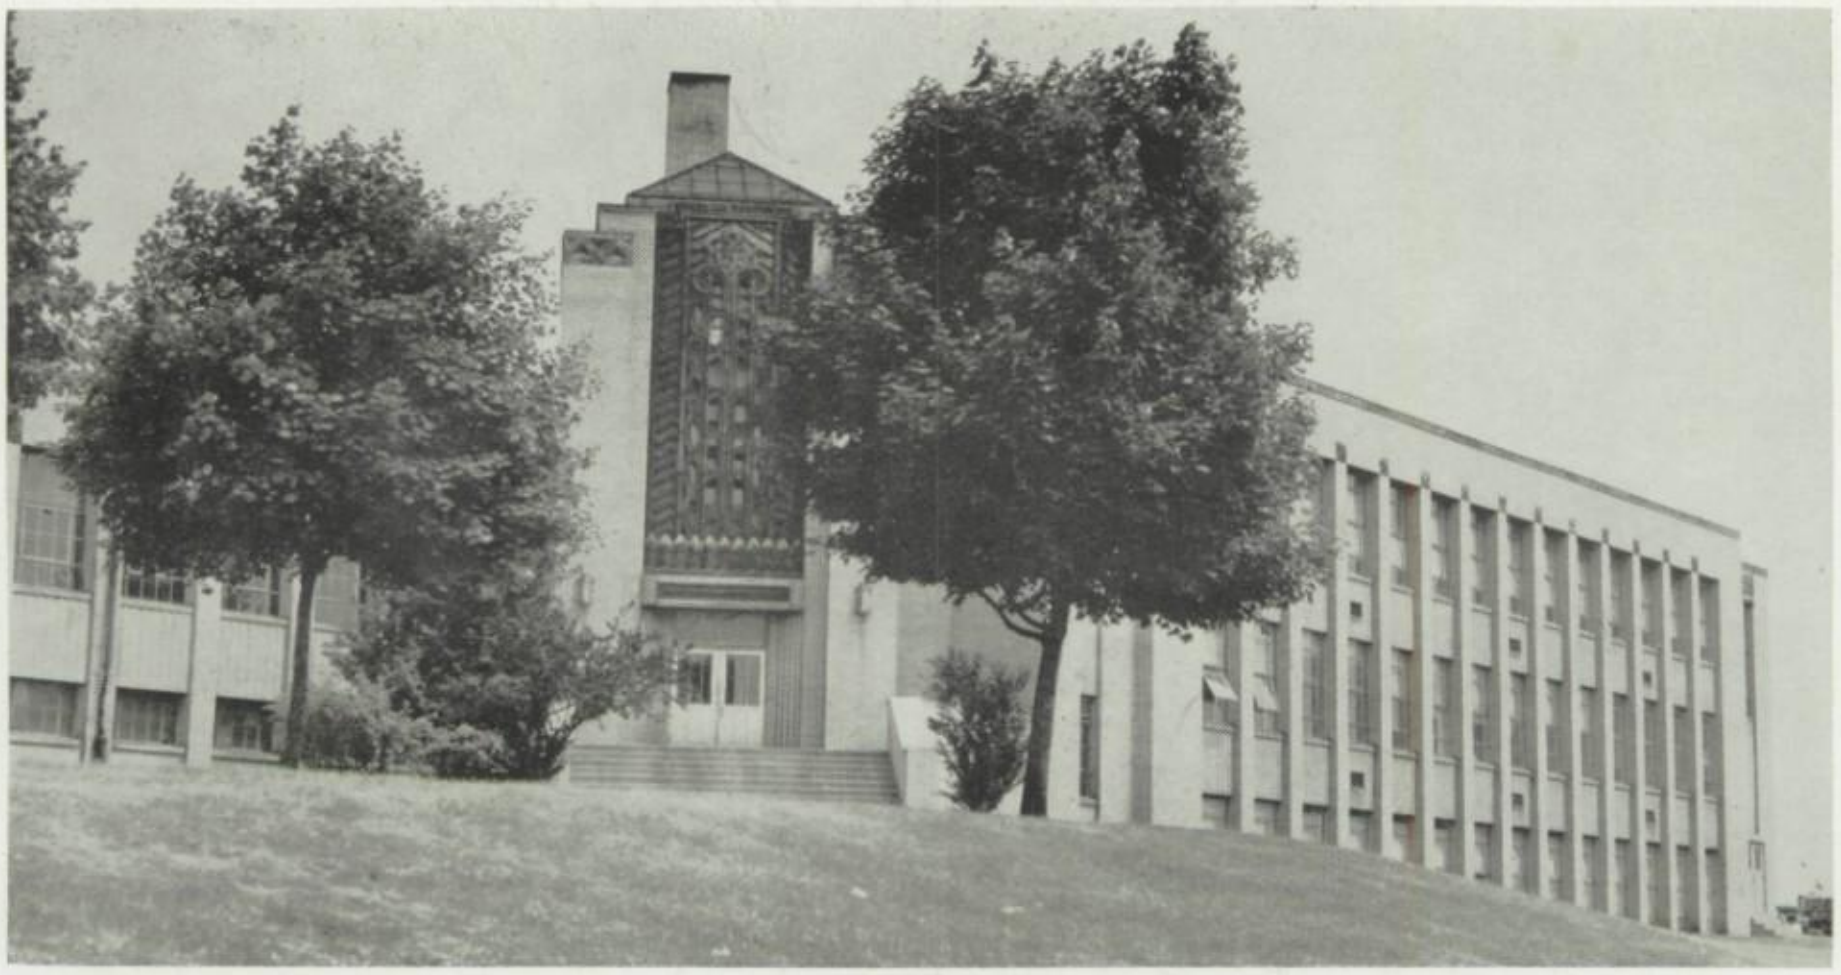
A native of Glenshaw, Coach attended Shaler High School and upon graduation, entered Slippery Rock State Teachers College in 1940. While at Slippery Rock, he was a member of the swimming team as well as a stand-out tackle on the varsity football squad, and although his college course was temporarily interrupted by a two year term in the Air Force, (during which time he achieved the rank of Lieutenant), he graduated from Slippery Rock in 1946 with a Bachelor of Science Degree in Physical Education.

After completing his student teaching at Ferndale, Pa., Coach came to Springdale High School in 1947, where for eleven years, he has been capably serving as boys' health and physical education instructor.

Even though Coach Wagner is tops in the fields of physical education and health, he is just as excelling as an organizer and sponsor of extra curricular activities. He has coached junior high school and junior varsity basketball, as well as serving for five years as assistant football coach. He is at present the sponsor of the golf team and has been supervisor of the Springdale Playground for ten years and in addition has also done much work at the Springdale Community Center.

Coach Wagner lives in Glassmere with his wife and three sons. In addition to his many other interests, he officiates basketball games and enjoys sports of all kinds. He is very interested in woodworking, and has made many useful contributions to his home in the form of kitchen cabinets, furniture, and remodeling work.

We at Springdale High School are proud to have Coach on our faculty. In a teacher such as he, it is easy to see that there is a genuine love for his work—a desire to both associate with young folks, as well as to develop their bodies and minds. For eleven years Coach Wagner has served Springdale as a fine teacher, and during this time, he has helped in the development of many young adults. There is not a person who has known Coach, who after they have graduated, was not able to look back and say what a great teacher he was, as well as a truly wonderful person.



ALMA MATER

Where the vale of old Mount Colfax
Meets the western sky,
Proudly stands our Alma Mater
On her hilltop high.

CHORUS

Flag we love, orange and black,
Float for aye;
Old Springdale, o'er thee;
May thy sons be leal and loyal to thy memory.

When the evening twilight deepens,
And the shadows fall,
Lingers long the golden sunbeam
On the western wall.

Rita,
Ya sweet Junior
the nicest Junior
girl I know. Stay
as sweet as you are
now and you'll go far.
Always remember
Junior year and our
continuous fighting, but our
lockers. I hope we are
in the same home room
next year too. (Ugh-!)
Friends always,
Beverly

Rita.
A swell junior
girl who has really
made a good
impression in S.H.S.
Your really a great
friend; and boy
what a broom
hockey player.
Lots of luck
always,
Cil.

We did so much together I don't know where to start remembering all the crazy things we did. Remember the time we had to (drive-in) over four times to get there. All the teasing. Betting him on the fights with Ray when you let him. Remember the time we had so much fun at the Fair. Don't forget Eddie the sailor you disliked because you just knew he called me Honey and just because we saw there many movies we (your first real love) and (your first kiss) "you know what". All our trips to Clearwater. All our problems together. & our fights with "Clara" "bird" Bill and "Canary" "bird" Tweety. I know you'll never forget. I really had a lot of fun at the Fields. Sandy. Don't forget all our trips to Oakmont. & when we saw them. Enough for "crazy" times. We had a lot of fun at the basketball, football games. & at the House. Your last test. Love is one "Canary" "bird" Bill never forgets. I know you'll never forget all our trips & fights. Remember all our closeness & how you were about him. Don't forget that. Remember you were about to start pounding so I'll have to start remembering so I'll get the worse over first. Remember the time we had to (drive-in) over four times to get there. All the crazy things we did. Remember the time we had to (drive-in) over four times to get there. All the crazy things we did. Remember the time we had to (drive-in) over four times to get there. BOARD OF EDUCATION

In a combined school district such as ours, many problems can arise, which would naturally not befall a single community school system. For this reason, we have four separate boards of education which compose the Allegheny Valley Joint School Board of Education.

Finances, maintenance, transportation, athletics, supplies, teaching positions; these are some of the problems which confront our joint board of education. Each monthly meeting is utilized to the fullest in an attempt to solve the above mentioned and various other problems.

We are proud to have on our school board, men and women who are not only sincerely interested in progressive education, but who have the initiative to help our schools attain better means of learning. We of the senior class, as we go into the world, will learn more and more how lucky we were to have been given an ample opportunity to learn. To those who have made this possible we say "thank you."

TO THE SENIORS:

Graduation is a "once in a lifetime" occasion that implies a form of academic accomplishment. Recent appraisals of the goal of education in a world whose boundaries have been broadened by discoveries in the field of nuclear energy indicate that graduation from high school is probably only a minimum preparation for broad participation in world affairs.

Do not permit graduation to mark the end of your intellectual curiosity. As you leave your high school be ever mindful that one accomplishment merely opens more avenues by means of which you can make yours a fuller life.

JOHN J. ROBAK

FACULTY

Throughout the course of a year, each student comes to realize that the faculty of Springdale High School consists of men and women who are at the heads of their respective fields. Each teacher is a specialist in his or her particular interest and we do say interest, for the teachers at S.H.S. are so complete and thorough in their presentations, that they are surely teaching work in which they are interested. These are the desired characteristics of a fine teacher —interest and ability, and are the characteristics of all of our high school teachers.

Besides being excellent guides in education, they serve willingly as activity sponsors and are always willing to give advice and guidance to any student seeking such.

We are indeed fortunate to be able to be associated with such a fine, respected group of teachers as we have at Springdale High School.

MRS. KATHERINE SLEPPY
Secretary, Springdale High School

I wish you luck and happiness all your life through.

SENIOR CLASS OF 1958

That nine months could speed by so rapidly was hard to believe, but here we are at the end of our senior year.

First there were senior pictures taken in September, and from there a happy mixture of work and play led us through the entire eventful year.

The senior class play, "Tish," was a huge success, as were the many bake sales which together with our senior obligations and play, made possible our memorable class banquet and the ELECTRA.

One of the summits of our senior year must surely have been the trip to Washington, D.C. Each senior was given an opportunity to make the journey at a minimum of expense, and it was truly a trip to remember.

In May, as we scurried around trying to keep up with all the activity, the class party and Junior-Senior Prom captured most of our attention. These were finally overshadowed by our graduation, the high point of the year.

Twelve years, and our formal schooling is at an end. Our joys, sorrows, and good times are all, like our senior year, just memories. We have received our diplomas and said our final farewells. Now, when we look back we can truly say, "It was fun wasn't it?"

JUNIOR CLASS

The Junior Class entered the school year with much enthusiasm and industriousness, for graduation has been getting closer as each semester passes.

The class contributed to the year by making our biggest annual event, the Prom, a huge success. The Prom Committee, under the able guidance of the Junior Class sponsors, Miss Sober and Mr. DeVenzio, planned various fund-raising projects for this event. Bake sales, sale of peanut brittle, and the Junior Class Play, were held. The unceasing work of the students was rewarded on May 23 at the Hill Crest Country Club, when a grand time was had by all.

SOPHOMORE CLASS

Although at first the sophomores weren't certain of their feelings toward S.H.S., by the end of the year they had made themselves such an essential part of our school that we couldn't have done without them. With the help of their capable sponsor, Mr. Landy, the sophomores accomplished many of their own goals.

Our sophomores are looking forward to their junior year, and if they possess the same diligence and perseverance they showed this year, they are sure to be a huge success.

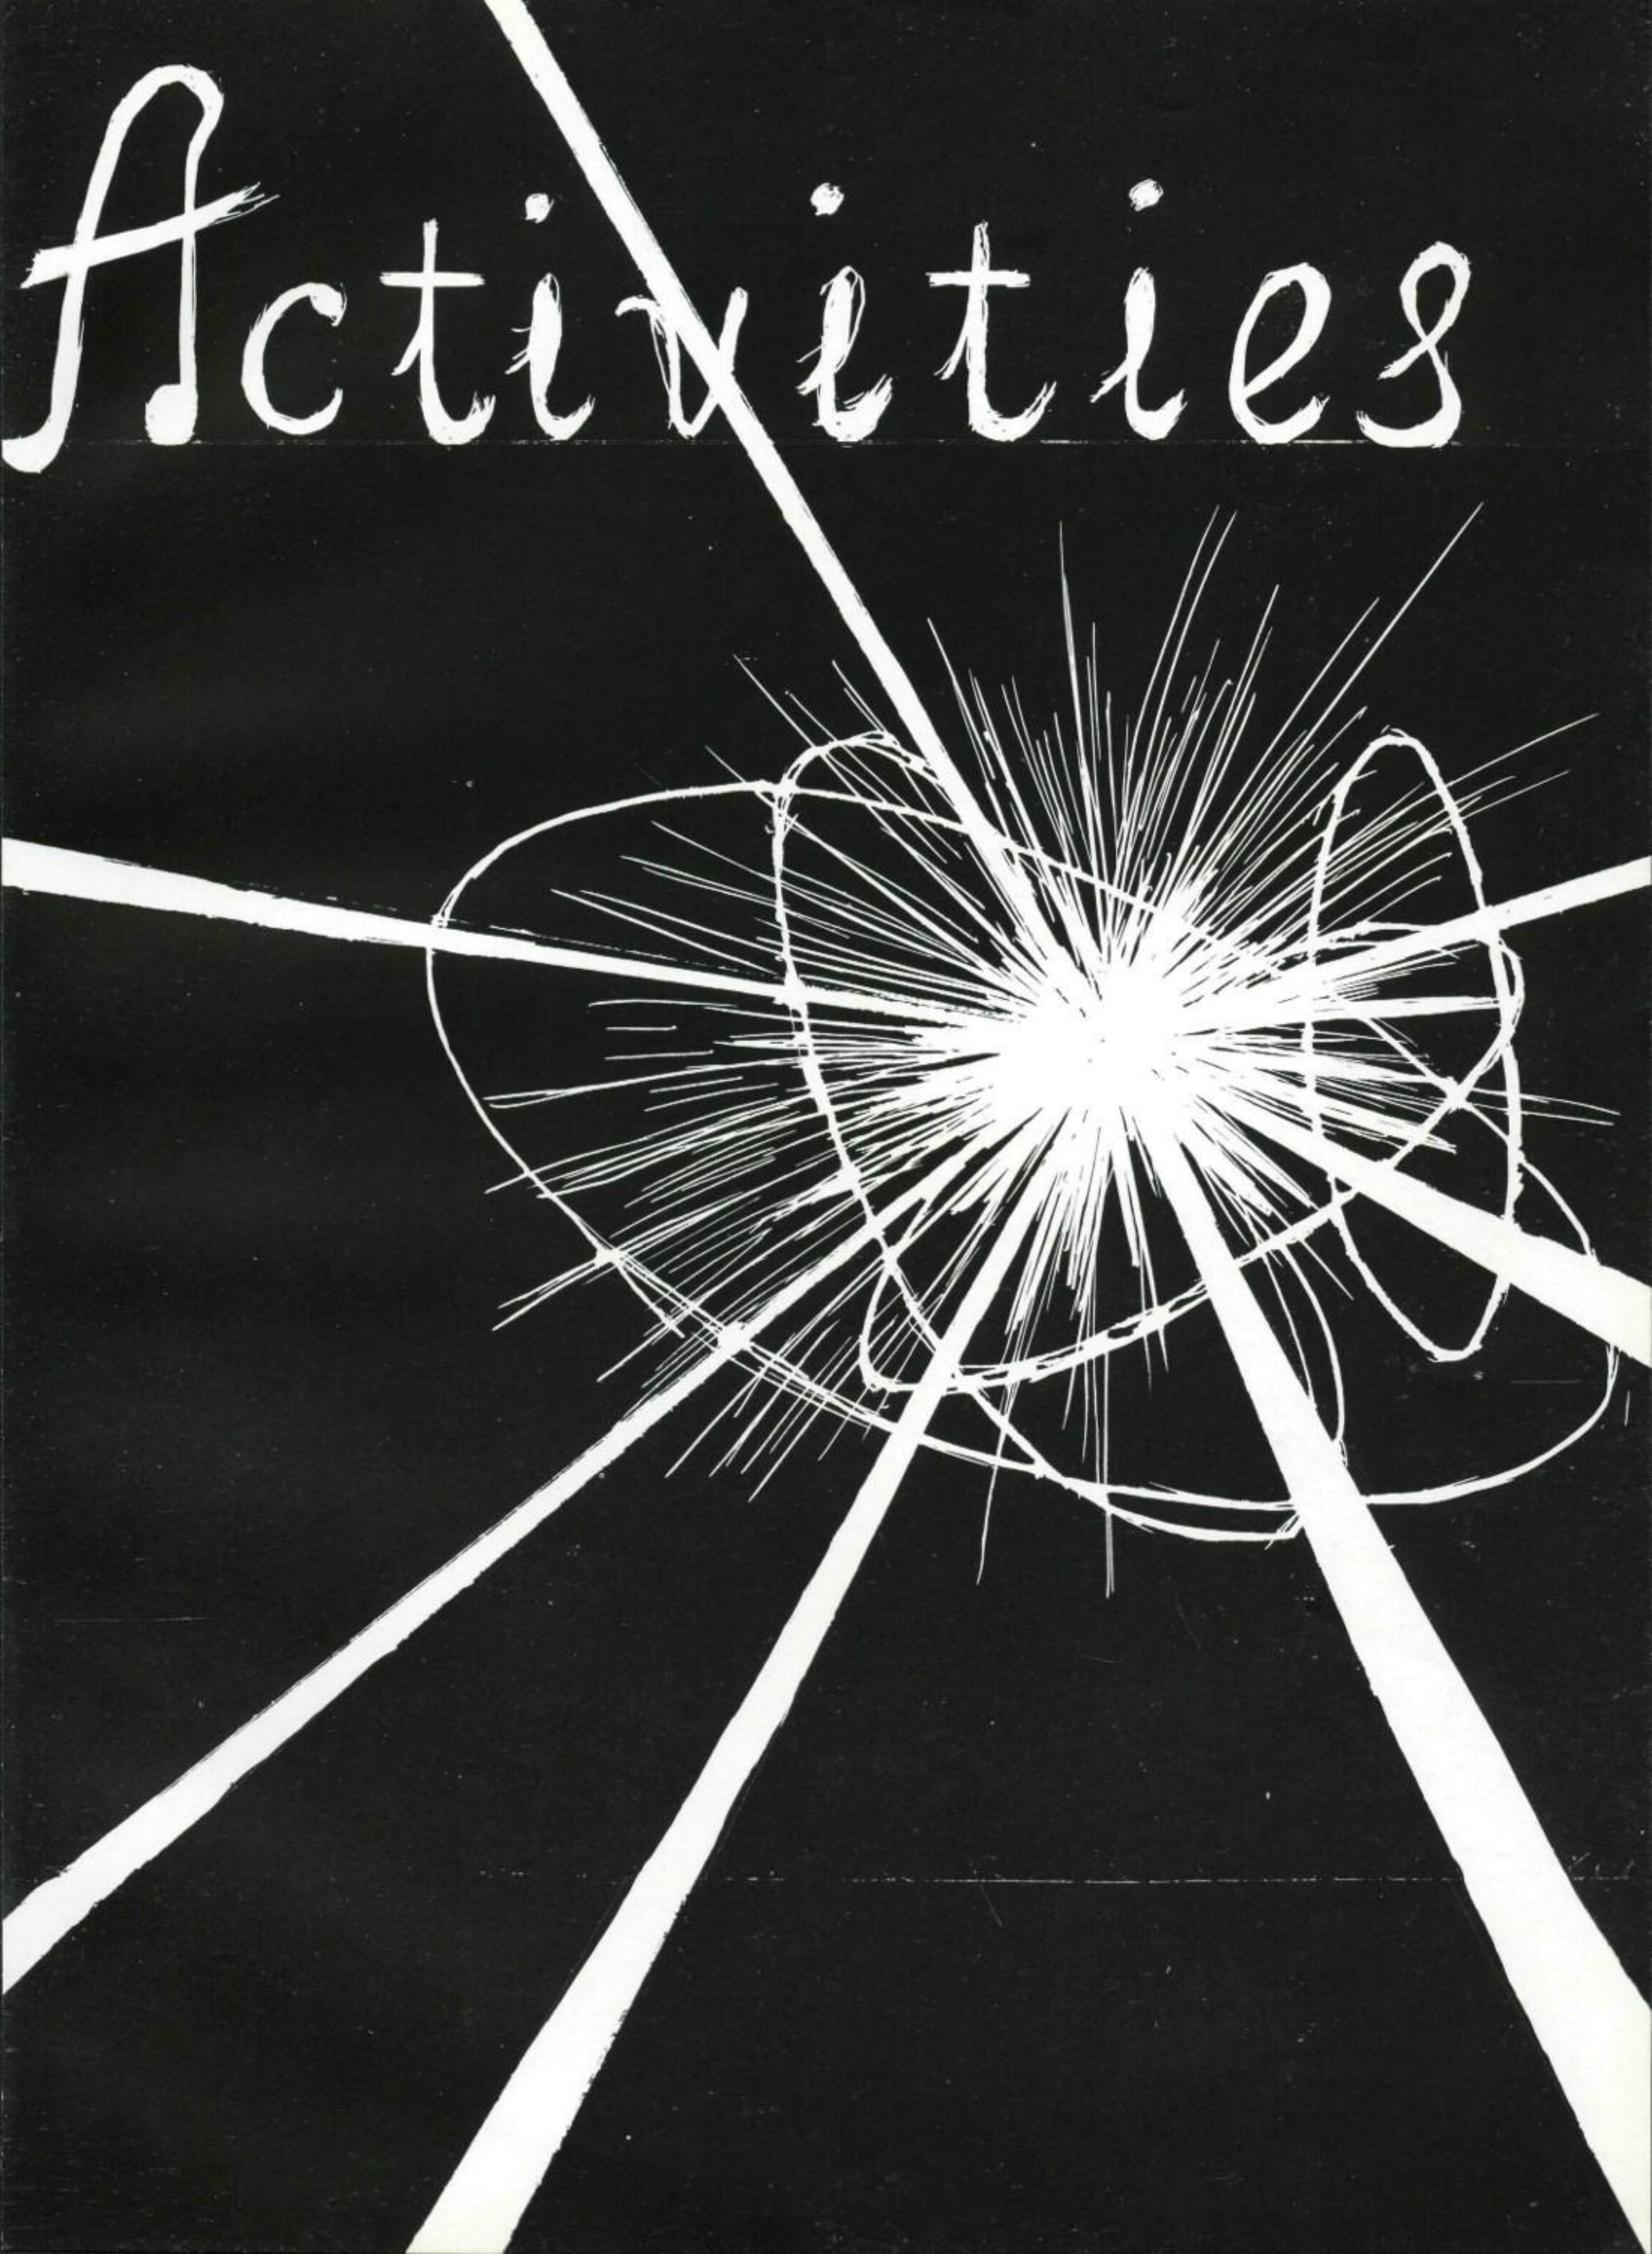
Activities



ELECTRA

A yearbook is a product of labor and cooperation. Every word, picture, and saying is examined and checked before being used and approved. Countless hours of work were put in the ELECTRA by Bob and Frank. Perfection was their motto, and not until this was accomplished were they satisfied, but the book was truly a joint effort — an accomplishment of both committees and editors.

The literary committee began early in the summer to provide each senior with a personal description. Each activity was accurately accounted for with earnest comments.

The art editor's strong liking and natural ability for art, along with her individual expression has added to the high quality and efficiency of this year's ELECTRA.

The sports committee has recorded each performance that all of our athletic squads have made, and has given accurate descriptions of the year's athletics.

ELECTRA

The ability of the business committee to understand and organize the ELECTRA'S subscription drive was well rewarded with the response that was received. The business committee had much ability in financial matters and a wide and thorough understanding of the business at hand, and was expertly guided by Mr. Sinclair.

The "click, click, click," of the typists at work was a familiar sound. Neatness and efficiency were the goals of our typists and these were accomplished only after long hours of work.

STUDENT COUNCIL

The goal of our Student Council always has been and will continue to be, "service and guidance to the student body." Under the leadership of its sponsor, Mrs. Hendrickson, Student Council learned and dealt with the problems and difficulties of the students. Along with acting as our school governing agency, the Student Council also sponsored after-game dances, the Snowball, various assemblies, and other school betterment programs.

KEY CLUB

The Key Club is the junior organization of our Kiwanis Club, and like the Kiwanis Club, is concerned with welfare and service.

Since being reorganized under the leadership of Mr. Landy, the Key Club has taken over the school announcement schedule via the P.A. system, and has aided in a school clean-up campaign. Several other programs were introduced which aided both our school and the community.

President ..... Robert Somerville
Secretary-Treasurer ..... Charles Carson

CHESS CLUB

The Chess Club is in its second year of existence, with Mr. Sinclair as sponsor. It is a great way to chase away lunch time boredom with an exciting challenging game of chess. This encourages the students to use their brains in the stimulating moves they make in this game.

S.H.S. is very proud to have this club and hope it will stay in existence in the future years.

CAMERA CLUB

This club, which was organized by Mr. Williams, is one which helps young people to understand more about cameras and photography. While learning these things, the young people can look forward to using this great hobby in the future. They have learned to operate both simple and complex cameras, and have given much time to this study which is both fascinating and interesting.

HI-Y

The Hi-Y, an organization of young men having high Christian standards in character as their goal, strive toward upholding truth and honor. Led by Mr. Spalic, they attended rallies and other meetings, in order to gain a greater knowledge of their responsibility as members of the Hi-Y. The highlight of the Hi-Y calendar was the annual skating party at the Ches-A-Rena.

TRI-HI-Y

The Tri-Hi-Y is a group of girls organized to create, maintain, and extend throughout the home, school, and community, high standards of Christian character.

The project of the Senior Tri-Hi-Y was the sponsoring of the annual Harvest Moon. The Tri-Hi-Y is capably sponsored by Mrs. Baker.

The Junior Tri-Hi-Y under the direction of the capable Miss Keating, reversed their tactics and sponsored the dance where the girls asked the boys, otherwise known as the Cupid's Caper. Both the projects of the Senior Tri-Hi-Y and the Junior Tri-Hi-Y ended in a final success.

GIRLS' ATHLETIC PEP CLUB

The Girls' Athletic Pep Club was organized by Miss Nitsche, its very capable sponsor, who gave up much of her extra time for this club. The club has become a great activity for the girls, for it enables them to test their ability and skill in different sports.

During the school term this organization has picnics, parties, and banquets, which are enjoyed by all. Championship teams received awards at the end of the year.

ORIOLE

Just five cents and you have the low down concerning everything that happens at Springdale High. This year the Oriole was sponsored by Miss Coholic. Under its efficient editor, Judy Trebac, the staff experienced hard work along with the pleasure of publishing a newspaper. Because of the hard work of the editor, staff, and student body, S.H.S. possesses this top quality newspaper.

PEP BAND AND COLOR GUARDS

For the second straight year the Pep Band has performed at our home basketball games and at our pep meetings. Since it is impossible for the entire band to perform at these gatherings, Mr. Wareham has selected several of his band members to play in this Pep Band. Time has been spent by this organization in practicing after school, but the quality of the performances given at our basketball games, was certainly well worth the time spent.

Guarding the school colors is the chief job of the Color Guards. Strictly military, these girls lead the band at all appearances. The girls include nine, who all take their job seriously. There is a sense of reverence when we see the flags and banner pass in review and see these girls in their smart uniforms and immaculate gloves.

CHEERLEADERS

Each school has one organization or several organizations which it feels are tops, and at Springdale, we believe that our cheerleaders are one of our finest student participating groups. Away from home or at home, they give a truly wonderful representation of our great school spirit and enthusiasm. New cheers and old favorites alike, are executed with the same timeliness and coordination that has become a habit with our cheerleaders. Their sponsor, Miss Nitsche, has aided and practiced the girls, so that we at S.H.S. can say that we are very proud of, and that we congratulate our great cheerleaders.

Not to be overshadowed by their seniors are the Junior Varsity Cheerleaders. A fine performance was given at every home basketball game by these girls, and it is safe to say that in the future, we shall have another fine group of varsity cheerleaders.

GIRLS' ENSEMBLE AND GIRLS' CHOIR

The Girls' Ensemble is a special choral group selected from the mixed choir to give several interested girls chances to further develop their musical talents beyond normal opportunities. The interest that is present in this organization can be seen from the fact that the girls are willing to come to school at eight o'clock on many mornings to practice. The organization, of which we are justly proud, has performed for numerous special community activities and received a "superior" rating at a late winter choral contest.

The Girls' Choir at Springdale High School is made up of first and second period choir students. They have performed at our Christmas and Spring Festivals, and have presented a delightful array of musical selections. Congratulations must be given to this group, for the "excellent" rating which was won at Forensic League Competition.

BAND AND

The student who is neither a participant in the band or choir, we must say, is missing one of the real joys of life—the appreciation of taking part in a musical group. From music one can derive a satisfaction and joy that few other experiences can match.

Mixed Choir continued in its history of fine performing, and was successful in its main performances: our Christmas program, the Allegheny Valley Choral Festival, and our own Spring Festival. Much credit and thanks is to be given to Miss Svedberg for the de-

velopment and maintaining of such a fine organization.

Our band has become one of the finest in the valley. At football games or in the concert hall, it is a precisioned, practiced group. With the able assistance of Mr. Wareham and Mr. Strohecker, the band made appearances at Kennywood Park, the Miners' Day Parade, district music contests, and other worthwhile programs. We cannot forget to mention, of course, band camp, at Blue Knob State Park. Money was raised for this event by candy sales and the cooperation of the P.M.A.

JUNIOR CLASS PLAY

PHANTOM OF THE HIGH SCHOOL takes place in Benson City, a mid-western town celebrating its centennial. A pageant, centering on Miss Benson's ancestors, is being organized. In the confusion of producing the pageant, Mindy is kidnapped, and the valuable old diary belonging to one of the old settlers is missing with a satchel of money. Rick is blamed for taking the money. The police are ready to take him away when Mindy appears on the scene and discovers the truth about Miss Benson's grandfather and her secretary, who is the "Phantom of the High School."

SENIOR CLASS PLAY

TISH takes place in a hotel in the southwest, near the Mexican border. Tish, a middle aged spinster, informs her two companions, Lizzie and Aggie, that she is determined to get closer to nature, "to lead a simpler life." She buys a second hand car and decides that she doesn't need driving lessons, ending up in a store window. When the hotel safe is looted, Tish is certain she knows where the money is and starts her search. Whether she is trying to help someone or striving desperately to straighten out the tangled romances of two young couples, Tish gets everybody around her into and out of more jams.

MAY DAY - 1957

The beauty and true enjoyment which was received by all who were present, was evident of the extensive work and preparation put into the 1957 May Day Pageant. Both the Junior and Senior Courts were stunning in appearance, as the flowing gowns of the girls and the perfectly fitting suits of the boys formed a perfect combination.

The summit of the entire program was the moment when, after a hush of anticipation excitement fell over the audience, George Castelli and Judy Trebec were crowned reigning May King and Queen of 1957 by the retiring king and queen, Dave Lewis and Linda Couch.

An elaborate cavalcade of dances and other forms of entertainment dedicated to the new May Court, followed the coronation.

Because of unavoidable circumstances, May Day 1958, was limited to a Coronation Ball with the crowning of the reigning king and queen, Warren Ferguson and Carol Stonis. It was a beautiful and long to be remembered affair, and although the great cavalcade of entertainment was absent, it was a very touching event.

FOOTBALL

Rain, snow, sleet — nothing can stop our Dynamos in trying their utmost to win. They have given their Coach, Mr. Hazlett, and the entire school great satisfaction this past year. From the kick-off, to the last play, our Dynamos have shown skillful tactics and a great amount of power on the gridiron. We are indeed proud of them!

BASKETBALL

This was our year. After ten long seasons the Dynamos finally came back to first place in Section 12. Week after week our towering giants buried the hopes of each of the other section contenders by thoroughly trouncing foe after foe.

When in late February, we finished our season with a 19-2 record we went to McKeesport in the first round of the W.P.I.A.L. elimination and conquered Baldwin by a single point. However, all good things must come to an end, and even though our boys put forth a superior second half effort, we were beaten at Pitt Field House by Charleroi.

We are very proud of our basketball team, for every victory was not only a team effort, but a team-coach achievement, and Coach DeVenzio worked long and laboriously to produce this great winning team.

Congratulations!

JUNIOR VARSITY BASKETBALL

Although they were partially overshadowed by our Varsity, our Junior Varsity team achieved a fine record during the season.

Coach Turley spent much time with his squad teaching them the fundamentals of the game, and his work was well rewarded for the team responded with excellent performances throughout the year.

Going on this year's performance, it is safe to say that we will have another fine experienced varsity basketball team next year.

W.P.I.A.L. ELIMINATION - ROUND 2

Charleroi's Cougars End Our Dreams, But It Was A Great Season

Row 1— F. Caylor, T. Nery, M. Yaksich, L. Raymond, W. Ferguson, D. Lewis, W. Oglesby
Row 2— R. Savorn, T. Mehalic, P. Liberati, G. Cichoski, L. Kun, N. Lewis
Row 3— L. Mazzoli, G. Castelli, R. Somerville, A. Raymond, G. Graham, Coach DeVenzio

BASEBALL TEAM

Tops on the list of sports events for the fans is baseball. Pitcher, catcher, infielder, or outfielder, each plays an important part. Practice makes perfect and Coach DeVenzio and his team certainly do their share. The high spot of the season was when the team beat the W.P.I.A.L. champs, Har-Brack. They did not rank tops in the section but with the fans at S.H.S. they were tops.

SOCCER

Although still young and thriving, soccer has quickly been adapted to S.H.S. It has added quite a new touch to our sports activities, and also, it has held the interest of numerous boys. Years of struggle are necessary to make a championship team, but we are quite sure this honor will soon come to us.

GOLF

The golf team has done well this year under the careful instruction of Coach Wagner. The boys have steadily improved with the years. The game isn't an easy one to master and requires much time, practice and patience. Our team demonstrated these requirements along with the ideal of good sportsmanship. There are quite a few of the boys with experience coming back to take their place on the team, and we should have a real winner in Springdale before long.

SENIOR FAREWELL

A year ago it seemed to be in the dim future, but today graduation is a reality. We have concluded twelve years of schooling and no matter what the higher education demands of our modern world may be, our formal education is to us an accomplishment — an accomplishment that is centered on that one day when we have taken one last, long, endearing look at our friends and at our school — graduation day.

As we take a final glance at Springdale High School and its surroundings, even the most hard-hearted of us will feel a lump in his throat, for we are leaving our Alma Mater, which has been the common, unifying symbol that has bound us together as friends and classmates. Now we are on our own; the world owes no one a living and we must make our own way, but no matter what road we choose, let us remember what we wish to hold dear — undying memories, both intimate and dear, of our high school days.

Although we have had much of our past planned for us, we shall now have to plan our own future. Whether it be college, military service, or employment, each individual will be responsible for what he is and does. Through education we have been prepared. We must now use our knowledge in a greater, wider scope than ever before.

We may become to many just another number — the class of '58, but to you, our friends still in school, we wish always to be something more, a memory that will be cherished as each year passes. We say to you, "Utilize your high school opportunities to prepare yourselves for that day when you will be leaving Springdale High School."

"Glad as his suns aloft are plying
Through the heavens glorious space,
Now, dear brothers run your race
As a hero unto victory."

Springdale High School

Rita,
The best of luck to a real nice girl. I'm sorry we didn't get in a few classes together this year and hope we will next year.
Lots of luck,
Richie Lucas

But
To a real nice
Junior in S.H.S.
Remember all the fun
we had during the
year. Good luck in your
later years

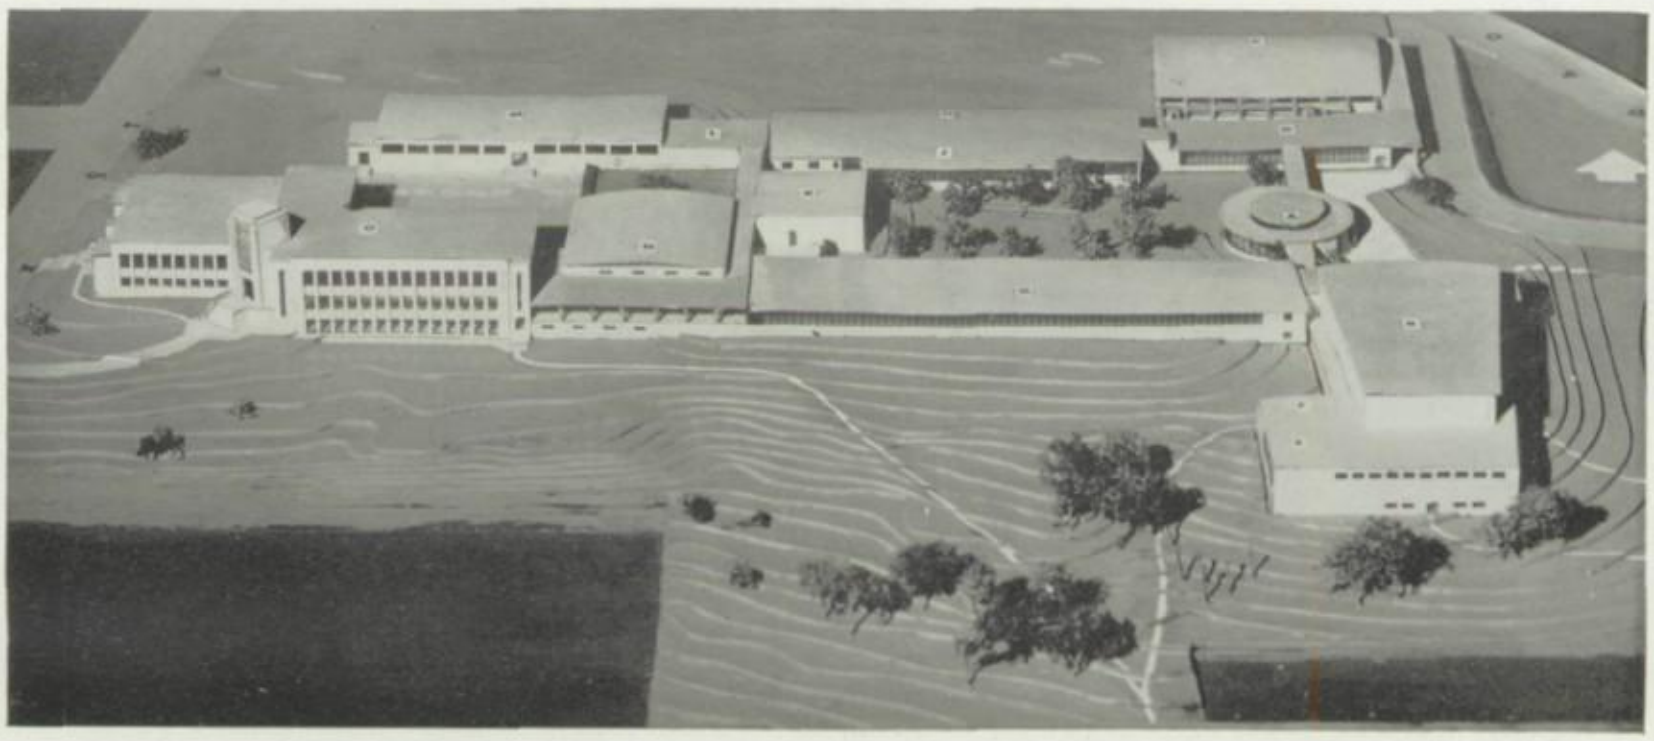
A PROMISE OF THINGS TO COME



Above can be seen an artist's conception of how our new school building will look when completed. To the left is the present structure and in the upper right hand corner is Butler Road.

Rita,
You're such a
fine friend. You'll
always smile and
nudge to say "hi" to
everyone. Don't change like
that when you almost reach
your goal. Best of luck in your
future years.
Sincerely,
Dick

OUR GRATITUDE

Two people could never print a yearbook, and the success of any publication depends on the ability of its staff to cooperate and to labor together toward a common goal. We, as editors, wish to convey our sincere gratitude to all who have helped and aided us during the past year. Mr. Williams and Mr. Sinclair, our sponsors, are two people without whom our ELECTRA would never have materialized, and to our junior editors Gerry Susa and Jean Sheffler we say "thank you," for the cooperation and help extended at all times. For the wonderful art work which has added so much to our book we wish to express true appreciation to Elizabeth Accorsi. We are grateful to all of the committees who have helped us and to the committee chairmen, but especially to Maxine Pikulin and Judy Puzniak, who were always willing to do more than their share. Thank you is also expressed to Colao's Studio for their cooperation in our photographic work, to S. K. Smith Co. for the wonderful cover, and to Ralph Benz for his fine suggestions and help, to the General Press whose superior printing is evident in the ELECTRA, and to Joe DiOrio, Jr. of the Canton Engraving Co., for the fine work done on our picture engravings. A final resounding "THANK YOU" is expressed to our faculty for its understanding and cooperation in all matters.
